KEYWORDS, SOUNDS AND SPELLINGS

Use this worksheet with the S-98 Keywords, Sounds and Spellings Book. Using the cartoon pictures in the Book and on the English Spelling Chart, can you work out the answers to the questions Where? Where? What? for each keyword that contains the same sound? e.g. 3 - beach - V1 B30 - EoW^{ER} - ch

Sound Number	Keyword	Where's the keyword?	Where's the sound?	What's the spelling?

B = Beginning M = Middle E = End o = of W = Word F = First S = Second T = Third Sy = Syllable

To revise English Spelling Chart Skills 7 and 8, learners might also state (for extra 'points'?) if the sound is present in any Consonant Blend (CB) or Rhyme (R) and if it is at the Beginning, Middle or End e.g. in 'ant' the /n/ is BCB and MR.
