

THRASS TWO-DAY CERTIFICATE, WESTERN CAPE, SOUTH AFRICA, 14-15 SEPT, 2009

Absolutely amazing. It all just makes so much sense. I wish this was national curriculum.

Well presented by Hilary. Inspiring. Such a wonderful approach to teaching. We learnt, laughed and enjoyed the experience.

Very informative. Lots of fun ways to play games and teach the children. THRASS makes sense! It was one of the most enjoyable courses I have attended.

A fun filled two days. Having taught for so many years I was quite apprehensive about changing my way of teaching "phonics" – what a pleasant surprise! Very well informed and presented course. Going back to my teachers with many exciting ideas, something concrete to work from.

An exciting, brilliant experience! I am looking forward to implementing THRASS. I taught Gr. 3 for years and would have loved this 'broad picture' when I first started teaching. Very well presented.

A most exciting and learnful experience. For an Afrikaans person it is very useful, and then of course less threatening. I can't wait to introduce it to everybody back at school.

Brilliant! I taught THRASS a couple of years ago in Durban but have never been officially trained. Wow! I learnt so much and I really enjoyed it. I can't wait to start teaching it next year.

Insightful and added value to my teaching.

A thoroughly enjoyable course. Hands-on approach with valuable information. Easy to use ideas.

The two days were a great eye-opener. I can't wait to use this in my class.

A valuable learning experience. I am certainly going to apply what I have learnt (even with older children). It is great to see the "global picture" and it makes so much sense. Thank you again!

A fantastic approach to teaching, not only phonics and reading but also literacy in the broader scheme. Hilary has a wonderful personality and brightens up any room.

Brilliant course! Loved every minute and was super interesting. Congrats to Hilary – you are super good at what you do and exactly what you are talking about. You are also extremely good at answering questions. Thank you for all your help and effort. Good luck for the future!

Absolutely a super presentation of a well-worthwhile course! SUPER!

A very informative course – especially as a Senior Primary teacher.

Lovely, vibrant and entertaining. Could have gone on longer this morning and ended off earlier – seemed to switch off during the afternoon. But brilliant.

Hilary I thoroughly enjoyed the course! Your way at presenting, it was fun and fresh and very easy to follow. I sometimes felt a bit overwhelmed by all the information, but that has nothing to do with the way you presented it. THRASS is revolutionary and I can't wait for it to be in all South African schools in the near future.

A fantastic course. Hilary, the energy with which you present this course makes me want to come back for more. You are the reason why other people get excited about THRASS.

I am so excited with what I have learnt on this course. It was so well presented that I know it can change children's lives and their learning abilities.
